

Value Payable Post

The value-payable system is designed to meet the requirements of person who wish to pay for articles sent to them at the time of receipt of the articles. It also meets the requirements of traders and others who wish to recover through the agency of the post office the value of articles supplied by them.

Registered parcels, registered printed papers, registered letters and registered newspapers (along with the supplementary fee: Rs.10 per VP article) are allowed to be transmitted by the inland post as value-payable articles.
